

**P11 – KAZAN NATIONAL
RESEARCH
TECHNICAL UNIVERSITY
n.a. A.N.Tupolev-KAI
(KNRTU-KAI)**

Dr. Alexander Snegurenko

Head of International Relations Department

The University's Key Dates

1932 - founded as Kazan Aviation Institute (KAI)

1992 – received a status of State Technical University

2009 – received a status of National Research University

**Administration Building
in the downtown**

**Modern Building
in a new campus**

University: fact and figures

- **Total Number of Students – approx. 18 000**
- **Licensed B/DE/M/PhD/DSc Programs – 160**
- **Number of Academic Institutes & Faculty (in Kazan) – 6**
- **Number of Departments – 46**
- **Research-Educational Centres – 10**
- **Research Laboratories – 57**
- **Teaching and Research Staff – approx. 1000**
- **Full Professors and D.Sc. Degree Holders – 120**
- **Assoc. Prof. and Ph.D. Degree Holders – 500**
- **Members of Academies of Sciences (incl. Int.) – 34**
- **Number of Branch Institutes (outside of Kazan) – 8**
- **Alumni 80 000+**

Subject Areas of the University

- **Aircraft and Aircraft Engines Engineering**
- **Land Vehicles Engineering**
- **Machinery Engineering and Material Sciences**
- **Power Engineering, Electrical Engineering and Heat Power Engineering**
- **Instrument Making, Control Systems and Opto-Electronics**
- **Radio-Electronic and Info-Communication Technologies and Telecommunication Systems**
- **Electronics, Microelectronics and Nanoelectronics**
- **Computer Systems**
- **Applied Informatics, Software Engineering**
- **Economics, Management, Marketing, Sociology, Public Relations**

University Academic Structure

- **Institute of Aviation, Land Vehicles & Energetics**
- **Institute of Automation & Electronic Instrument-Making**
- **Institute of Technical Cybernetics & Informatics**
- **Institute of Radio-Electronics & Telecommunications**
- **Institute of Economics, Management and Social Technologies**
- **Physics & Mathematics Faculty**

Faculty/department involved

INSTITUTE of AVIATION, LAND VEHICLES & ENERGETICS

DEPARTMENTS:

- **Material Engineering, Welding & Industrial Safety**
- **Flying Vehicles Production**
- **Strength of Constructions**

KNRTU-KAI new Campus

Sports Facilities

Multifunctional Complex "KAI-Olympus"

50-meter Swimming Pool

Indoor Playground

Outdoor Playground

Stakeholders interested in the project outcomes/activities:

1. JSC Kazan Aviation Production Association,
2. JSC Kazan Helicopters,
3. JSC "KAMAZ",
4. JSC Kazan Engine Industrial Association
5. JSC Zelenodolsk plant named after A.M. Gorky
6. JSC Experimental Design Bureau "Sokol"
7. JSC Design and Production Enterprise "Aviamotor", etc.

Local project team

Team leaders

Prof. Dr. Stanislav Tarasevich
Director of Institute of Aviation, Land
Vehicles & Energetics
E-mail: iante@iante.kstu-kai.ru

Dr. Alexander Snegurenko
Head of the International
Relations Department
E-mail: icd@kai.ru

Local project team

Prof. Dr. Engel Galimov – Head of the Material Engineering, Welding and Industrial Safety Dept.

Prof. Dr. Valentin Khaliulin – Head of the Flying Vehicles Production Dept.

Prof. Dr. Vladimir Kostin – Head of the Strength of Constructions Dept.

Dr. Anatoly Potapov – Head of the Educational-Methodical Center

Dr. Rinat Khaziev – Head of the Unit of Licensing and Accreditation

Mrs. Liudmila Murtazina – Vice-Head of the International Relations Department
